awake again in some place strange but familiar all the same?
harken the stubborn child who sang -

~in the day it's safe to play and time goes back to yesterday
and tomorrow bleeds little todays and in their marrow is born
tomarrow and every day will be NOferday and isnt it
fun hahahaha to play all our days away and awayyy~

梦境迷宫

trappped in a dream maze

and just when do you think you are?

反思 反射

And at night errant
titans tower o'er dark
sirens wailing a call that
always steers us
spiralling round and
round..

and the only way they say is out is to keep wandering straight DOWN

V

over here?

Nonono.. over there!!!

Il y a mille ans, nous serons sauves, et ce qui ne peut etre evite, le sera

and in such Leviathan depths even a dream may drown

i think i am coming to.. but what if it is not I the dreamer?
